

SCHOOL FUND DONATIONS

Dear Parent / Guardian

The School Fund is vital in helping to provide services and equipment not supplied by our budget allocation from the Education Authority. School budgets are very limited and decreasing!

In the past the School Fund has been used to purchase additional musical instruments, games equipment, awards evening prizes, attendance prizes, refreshments at school events, extracurricular club resources and hiring of coaches for sporting activities, but with the confirmed significant reduction in our budget it will increasingly have to be used to provide teaching materials.

It is our hope this year that all parents will give their maximum support to school activities by making a donation of £20 per family to our School Fund. Do please support the School Fund; your contributions are central to the continued success of the School. It has never been more important to help us help your child.

Please complete the reply slip below. Parents should return this to the school **by end of June 2025** if possible, or at the beginning of the new term in September.

Mrs Amanda Irvine
Principal
